“ Uncle Jim was the true gentle giant. His heart and compassion for people (especially children) were gigantic. He loved to mess with your mind and tease you to no end. It was a joy to listen to him teach me and others about his fish, fishtanks, dogs, whittling, and so much more. Watch out heaven! You have a couple of pioneers in more ways than one in your midst. When under a cloud - beware! There may be whittling shavings falling from heaven as Uncle Jim and Uncle Lowell teach the angels how it's done. We miss you both greatly here on earth. When we all get to heaven, what a day of rejoicing that will be. We will have a big family picnic complete with good food, games, stories and lots of laughs. Love, Vickie

“ Mike and I are so sorry to hear of the loss of Jim! We loved him and loved seeing him out at the Freeland event. He's the one that named me "Pathfinder," and it has definitely stuck! We have many great memories of him, and he will be deeply missed. I learned a lot from him and Mike and I will miss chatting with him and laughing with him at Freeland. He had an unforgettable laugh. Deepest sympathies to the family.
Love,
Mike and Sarah "Pathfinder" Scott

“ Dear Aunt Esther, Robbie, Susie, Jimmy, and Families,

I'm so sorry I can not be there in person to express my condolences. I'm sorry I never got to bring Jasmine to a hunter safety class. She just turned 10. My thoughts and prayers are with you, even though I am not.

*With all my heart,
Bonnie*
