“ Dorothy and Family,
I just to let you know what a pleasure it was when I saw your Dad for PT. I really enjoyed coming to visit with him and your Mom. Hopefully, we got some PT done too.
He was a great man! We talked about many things and about the little bit of trouble Debbie made me get into with her in high school...haha! Loved that yellow bug you drove Debbie. He will be sorely missed by many and especially all of you! My heart feels heavy for you, but I know he is in a much better place. Always remember that! With all our love, Gayle and Tony Johnson

“ Dorothy you and Ken have been our across the field neighbors for about 10 years, we will miss the gunshots as Ken tries to get rid of the blackbirds. He taught Arch how to wire the house we built on Seven Mile and was so good with him on that project. As I reflect on the things that I've seen him do so many times at church, particularly helping those in need he was so caring and gentle. What a wonderful legacy that he has left you all. I know that God is wrapping his arms around you at this time and that he will comfort you in the days to come. Archie & Jamie

“ I have so many fond memories of Ken, he was my "second Dad" when I was growing up. I'll never forget the time he brought home walkie talkies from work and let Deb and I play with them and we broke one. We felt so bad but he didn't yell at us, he knew we didn't mean it. I remember feeling as much at home at the David's as I did in my own home. Even though it has been a very long time since I have seen anyone in the family I think about all of you often. Thank you Dad for the wonderful childhood memories!!

“ Dorothy and Family - We had the pleasure of bowling with Ken on the St. Paul bowling league for many years. He would not give up bowling until he got that perfect 300 game. His last time bowling, one of his games was over 200 - so "The Old Goat" still had it!! He is now in heaven bowling 300's all the time and also getting all the trophy animals he can get. You will truly be missed by many!! RIP!

Romans 8:

35 Can anything ever separate us from Christ's love? 37b ... overwhelming victory is ours through Christ, who loved us.

38 And I am convinced that nothing can ever separate us from God's love. Neither death nor life, neither angels nor demons, neither our fears for today nor our worries about tomorrow—not even the powers of hell can separate us from God's love. 39 No power in the sky above or in the earth below—indeed, nothing in all creation will ever be able to separate us from the love of God that is revealed in Christ Jesus our Lord.

“ Dorothy and Family, I only got to know Ken at Church, but he made me feel so very special. I felt a warm glow in my heart whenever I saw him. Part of that came from knowing Ken Jr., and sharing with Ken some of my experiences with your son; and that sure made Ken smile. Thank you Ken for your friendship. I will miss you.

“ Dorothy, Bill and I are so sorry for your loss. You and Ken have been wonderful friends to our family. Ken taught me Gun Safety, and I shot my first (and only) goose using the skills he taught me. It is fitting that he died, active, doing exactly what he loved. Our hearts, thoughts and prayers are with you and your family. Much love, Julie Schramke and Bill Teeple

“ I am so grateful to have known you, Dad. And so grateful to have shared the last few days with you up here in "deer country". You reminisced about so many things in your life and it was my pleasure to listen to you. I'm so sure you have bagged that huge buck - everything's so much bigger and better in heaven than we could even imagine. You were so happy about the last time you bowled and the high score you achieved. Also, you WALKED for such a long time through the trails and you looked forward to doing a lot more of that! But, I'm happy you are in the presence of our Lord and look forward to the day you and my own Dad (and so many more beloved people) will greet me as I come forward into His presence to sing and dance with joy forever! I am missing you now and know I always will. This is trite but: "Thanks for the memories...", Dad!
I love you.

My sympathy goes out to you Carol and your husband Ken the second. Reading about your loss up here in Harbor Springs. My husband was in the construction business and he knew your father in law. Elmer passed away in 2000 and my son in 1967 and I look forward to a reunion with them in the presence of the Lord. Heaven is for real. "For God do loved the world that he gave His only begotten son that whosoever believes in Him shall not perish but have eternal life", - our greatest Christmas gift.
