“ Aunt Lorna was my godmother. I remember spending time with her before she had her own children. That was "cool" because she was fun to be with. She took me to see *The Incredible Shrinking Man* at the movies, which would have been one of the earliest movies I had seen. Lorna took me in when my mother had to have surgery one time. I will miss her. Sorry I can't be there for her funeral. Linda (Cholcher) Hill

“*Dear Barb, Cathy, Rick and Vicki and all your families, we are there with you in spirit, and send our love. I thought the wedding photo Vicki posted was so appropriate - Lorna with Bill, starting their life together; And now she joins him for this new life in the house of the Lord! We rejoice with them, and pray that God will hold you close and give you comfort. Hugs, Aunt Jan and Uncle Spike*

“ *Our family would like to send our deepest sympathy to you and your family for your loss. We too have experienced the loss of a loved one recently and wanted to share a promise that has given us a sense of comfort. That promise is found in the Bible at Revelation 21:3-5. It is our hope that you and your family will find comfort in this promise as we have.*
