“ *My family and I want to send our deepest sympathy to you and your family for your loss. We found great comfort in a promise in the Bible. We want to share it with you. It is found at Isaiah 41:10,13. It is our hope that you and your family will find comfort in this and the many other promises found in the Bible.*

“ Grandma and Grandpa would always be on the back porch drinking a beer or sitting at the table playing cards in the summer. Me, Brett, Peter, Paul, and Patrick would be there for whatever reasons. Between me and Patrick we would always find something to get into. We would make Grandpa so mad, but the fury was always dealt by Grandma. Those early lashings that seemed to continue on into my teens, taught me alot about doing right and treating people and their property with respect. I miss how happy Grandma and Grandpa were together. Even when Grandpa would make her mad just being him. I miss the Cristmas parties in the basement (crying from the smoke) when all the relatives that couldnt be there would call in. Grandma held our families together. I miss her deeply. I wish I would have been around more when I lives one street away. I miss all of you back there in Saginaw. I Wish I could be there. I love you all.

“ *Being with her son Rick on Higgins Lake on the pontoon boat and running out of gas. My husband Gary and I came to their rescue. It was a very windy day and quite cool weather. Her and her late husband were so glad that Rick and Sues friend came by car to get them. The car ride home was a warm one!*
