“ *Hi, first I just want to say I'm sorry for your loss. I know you probably don't know me, but I've been trying to contact David Scott Collier for awhile now. If you don't know me, I'm his son, David Scott Collier II. Since this seems about the only other way I have hope of even speaking to him at all, this is why I'm just now saying this. You most likely won't see this but, if you have any other idea or ideas that I can try to contact my biological father please let me know. You can message me on Facebook. I hope you hear me out on this. Thank you.*

“ *I am sending my thoughts and prayers to the family, as I am just seeing this for the first time. I know you all don't know me, but David, Bernice's son, is my son's father. Her and Jim both helped David, myself and our son when we first moved to Michigan. I just wanted to say I'm sorry for your loss. -Christina*
