“ My grandma was Opal Bunner and Aunt Emma was one of my favorites growing up. She was so sweet. Cousin Annette reminded me so much of her. We reconnected about 5 years ago. I'm into geneology and Annette had the whole tree of our family going back generations. We met her and Pat with my Dad, Harley Nichols, at Applebees one day and talked for hours. She brought Uncle Stanton's pearl heart with her and let me hold it. Annette is now reunited with all the loved ones we've lost and I bet they welcomed her with open arms and warmth.

*RIP my dear cousin. I will never forget how special you were and I will always remember that sweet smile of yours. Until we meet again.*

*Thinking of her family during this time.*

“ *Annette and I have been friends since we were 4 years old. We played together with other kids in the neighborhood. We went all the way through school together at Hazel Park. She graduated 5 months ahead of me. We lost touch for several years until I moved to Alma and worked for the school district. I walked into her office in Saginaw to run payroll on their computer and Annette knew me right away. We stayed in touch and became friends on FB. I had the pleasure of staying with her and Pat and we attended our 50th High School reunion together. My love and prayers to my childhood friend until we meet again. Lynn Juhasz*
