“ *Grandma accepted me and my mom into the family with arms wide open. Many of my memories with her were from when I was younger, but the strongest I can remember were when we were at the cabin up north and she would always sing a song to me while tickling me from behind. Grandma was always such a light in all of our lives and our hearts are heavy now that she is gone. I have no doubt in my mind that she is sitting in a euchre tournament, pulling aces from her sleeve. May you Rest In Peace, Grandma J.*

“ She was a warm, welcoming person who always seemed happy to have conversations in Polish... even with an Irishman! I offer my deepest condolences to the entire Jastrzebowski family. I hope over these days of grieving that you take the time to celebrate the long and wonderful life that Mrs. Jastrzebowski had. Also remembering how proud she is of all of you. So with that, like any good Irishman would, I offer this (Glasses up):

*May the road rise to meet you,
may the wind be always at your back,
may the sun shine warm upon your face,
the rains fall soft upon your fields and,
until we meet again,
may God hold you in the palm of his hand.*
