Avery's short little life brought all of us together here in your neighborhood. Our porch lights and signs made us feel closer to Avery and family. God bless you as you find your new normal.

“ I'm so glad the family invited me for Easter a couple of years ago... She was such a beautiful sweet little girl! I'm so so sorry ...This is just so sad what Avery has gone through. I have never seen a child go through anything like this....so heartbreaking....And Cassie you have gone through so much in your young life... You are always in my thoughts and prayers...I think of you always and memories of Lori often too...I was so happy when you asked me to come meet Lori's granddaughter when I was in town right after she was born ❤️ Prayers..... from The Brown family
