“ *Barbara and I went to school and graduated together. We were best friends. I have so many wonderful memories of the happy, carefree times we spent together. I remember so vividly sharing a bag of plain Lay's Potato Chips and Barb looking for the bubbled or folded ones, (her favorites). I think of her every time I eat plain Lay's. RIP, Barb, you will be missed.*

“ We went into an apartment while we were building a new house. We had a Cocker Spaniel and couldn't take him with us. The build took 8 months and Barb lovingly took Buffy into her household for the duration. She refused any kind of payment for this and will always be remembered with love and high regard for her kindness to us and to Bridge.

“ I worked in the library at First Assembly with Barb for several years. We attended classes together to learn how to counsel women who were considering abortion. Barb was a server and a helper touching many people's lives who came through the library. She was faithful in her walk with God.
