“ I bowled with Barb on my mom’s team in the middle 80s. She was a very fun lady. I remember her wit and sharp tongue. Those were the things I loved about her. My deepest condolences to the family and friends Thanks for the memories Barb. ❤️

“ To the family, nephews and nieces, our deepest sympathy. We have known Barb since grade school and have kept in contact with her right up until now. We apologize that we are unable to attend the funeral and feel so badly about that. To all who mourn the loss of Barb, we know, because of her belief and faith she is now with the Lord which is the only thing that gives us the comfort and strength to get through this most difficult time. The memorial given to Peace, in her memory, will help children as they learn about the Lord. God Bless all of you. Ken and Sandy Schlaefke
