“ Barbara was my best friend since 2nd grade when her family moved into the neighborhood. We had tons of fun growing up. Sleepovers and even had a blind date through her. We had fun with our dates. Had some Sleepovers in the tent in her backyard. Most nights we walked all over for hours. Some nights we stopped at the Court Theater and we got in free. Saw lots of movies and ate popcorn!! Tried to find you Barb but I just couldn't find out where you were. I'm sorry. Have so much more I could say but I don't want to write a book here.
Til we meet again my friend. RIP.
