“ *Bernie was a very dear friend of mine, I will truly miss him! Although as it seems everyone goes their own way when they get married and have a family of their own; when their was a celebration of our children, we would get together. We would reminisce of days gone by, the carefree days when the only responsibility we had was our own. Bernie worked at my fathers bicycle shop for many years, he was always so polite to my parents and to the other employees there as well as the customers. I'll never forget when he first met his wife, she worked at Andersons restaurant next to the bike shop, it was love at first site! He was so giddy about her! As a parent and a provider for his family, Bernie was all in, he made sure his family was well provided for. In all my years of knowing Bernie, I never heard a condescending word uttered from his mouth. He was a loyal friend! My wife Tina and I would always say to one another after there was a get together, "he's such a nice guy"! There is a place for you buddy in heaven and I pray I will see you someday once again, love you man, Goose*

“ *I had the privilege and honor to work with Bernie for a lot of years, we shared a lot of laughter and a lot of conversations during our many cigarette breaks, he sure was proud of his family and loved you all so much he spoke of you all often. He was one of the most devoted hard working men I know. Bernie Was a very thorough trainer when it came to his job, very patient and very kind, years later after Eaton closed, I had the honor to meet and be trained at another job by his beautiful daughter Courtney. She too is a lot like her father. My heart reaches out to you Courtney and your family with loving thoughts and Prayers. He was loved and Respected by many, and will now be missed by many..Rest in Peace Bernie*

I have so many fond memories of playing together in South Saginaw...cousins getting into mischief along the Saginaw River. Trying to think who was most naughty, Tim, Larry or Bernie! I KNOW it wasn't me! :) love you Bernie!
