“ *Bev and Jack were my 4H leaders and so much more. They would take me as their extended family horse camping and riding up through the North country of Michigan. I was able to share the horses Nora and Scanner with them and had many a good time at their farmhouse in the summer spending time with them. Bev was always happy and positive and loved life to the fullest. A good person.*

“ I am so very sorry for the loss of Beverly. I knew Bev and Jack for a very good many years. We were 4-H leaders, I bought hay from Jack, we had a great time being entertained by his announcing 4-H shows. Bev always was the source of ribbons and great trophies that 4-Hers enjoyed, she was a friend and I was an employee of her Trophy and Engraving shop. I enjoyed both of them so much. They are together again joined by Fred. My deepest sympathies for her family.

“ So sorry to hear of your loss. We were friends from way back when we were kids. I have very fond memories of those times when our families would get together. I especially remember the times we would take our horses out to the fairs and parades and Bev would watch Jack and me ride. Please accept our deepest condolences and know you are in our thoughts and prayers at this time.

“ *I spent so much of my childhood with my beloved Aunt B! She was a very special aunt who I called "my angel." We had so many laughs and giggles over the years. Whether I was playing at the farm with my cousin Danny, vacationing with her, Uncle Jack & Danny, being part of Rope 'N' Rein Riders 4-H club or just hanging with her I had a great time. When I worked my first job at a candy store in the same complex as her trophy business I would bring her white chocolate, which was favorite and my least favorite. Always ready with a big hug and warm smile, she was one of my favorite people in the world. I will miss you Aunt B!*
