“ *we had met Bonnie when she had worked at Fazzoli's on State st. many years ago. We had kept in touch at different functions. We will miss her. Kent & Nancy Munro. Kent is also a member of post 439.*

“ *She was the sweetest person I have had the pleasure of meeting. I have known her for about 4 years while she was doing toys for tots, through my son James who is a Marine. She was so funny every time I would see her she would always say Hi Carrie but, whenever she introduced me to anyone she would refer me as that's James's mom! You will be greatly missed Bonnie ❤️*

“ *The women of the American Legion Auxiliary Unit 439 were honored to have Bonnie in our organization. She served as our historian for many years and was a devoted member. She rarely missed a meeting and never failed to volunteer her time and talents. She will be missed on Hamburg night where she helped to make this event, which raises funds for our veterans, a success. We will miss her smile, positive attitude. and stories about Saginaw "back in the day". A hard worker and friend to all. Thank you Bonnie for your service to our unit and the veterans we serve. Rest in peace.*

“ I did not realize how much she was in my life until I found her gone from it. Every where I look I see her even thou I know she's not there. Everyone thought we were married and when we told them we were not they had blank looks on there faces. We were able to feed off each other that well. She had a bucket list full of dreams very few got off her list but she still dream one day of making it and now girl you have. You help me and my family in tuff times and good and I you. No one will be able to replace you, many will try, none will secede. Your demons are gone, so sleep the sleep you always wanted. One day we will meet again and I will take back that heart you took from me on your passing. Till then girl sleep.
