“ I only knew Brad for a short time... but both visits I found him to be a very kind man. I'm so happy that he came out on the pontoon with us this summer! Over the BBQ'd burger meal, we spent time talking about his time with the Voyagers. He definitely enjoyed participating in the reenactments. I also got a kick out of the twins' little digs at each other! True brotherly love was evident ❤️
He left us too soon, and will be missed.
All my love to the family.

“ Brad was like an uncle to me too as a friend of one of his nephews. He let us play on his softball team even though I definitely brought the team batting average down, he'd make a point to say hi when I was working in Mackinaw and he was up there, he let us use his boat to fish. He was a great man and will be missed. Sending love to the Mrozinski family.

“ I’m truly sorry to hear about Brad. I had the pleasure on getting to know Brad when forming Bridgeport High School Bowling Team. He was a great head coach and guided the team to state final appearances. . But, more importantly, his guidance and encouragement made a lasting impact on my two sons, that were on the team, as well as every other team member. May his memory continue to inspire and bring comfort to all who were fortunate to know him.

“ I’m so sorry for your loss... Brad was such a strong influence raising my son. He lived next door to us for many years and we were always in the garden together. He gave me the swing in my backyard. Gave JD golf clubs in high school, and was a supportive rock for many years. We lost touch after he moved away and I often felt Brad would be so proud of the man my son became... thank God for this man in our lives... God give strength to his family in the days ahead! Love you all.
