“ I worked with Brian in plant 5, in fact, I trained him for the assembly line. We talked about The Lord all the time at work and I was always happy to see him on Sunday mornings at church. He was such a nice guy with such a big heart, he loved his family and he loved The Lord so much! My heart is so saddened for the family and friends who will miss him dearly. The only comfort is KNOWING that he is with our Lord and Savior, smiling that warm smile, in the presence of The Almighty!! One day we will see him again.

“ I went to grade school with Brian and then my sister married his brother. We stood as Godparents for our niece. Brian was so good and decent both as a youngster and as a man. My heartfelt thoughts and prayers are with his family.

“ Brian was a great man I met him at gase baking and working at the bakery he was one of the first people to become a friend and to help me get acquainted with the work environment there years later I delivered a lawn mower to him and we talked about the Lord for quite some time I knew Brian loved the Lord just by the way he talked about him and I look forward to seeing him again God's blessings to the family as you deal with this loss in a difficult time.

“ I so fondly remember our growing years on Zauel Street. I have a photo of Brian, Rodney and myself playing in snow banks in the late '50's/early '60's. The snow looked like mountains compared to us. My deepest condolences. When I view the recent photo of Brian, I can practically see his Father, Chuck. Do all the brothers remember the old Dodge Station Wagon with the reverse rear seat? "I see the towie of Edmore". Or, how about "Betsie Esranelda". Our loving thoughts and prayers to all the family & friends. Jim & Suzan Rowe, Lincoln City, Oregon

“ *I worked with Brian for many years at the bakery until it closed. He was always upbeat and smiling every time I saw him. Although we did not associate outside of work, we did have a good working friendship. When I first heard of his passing, I couldn't believe it and thought OMG, it's been 15 years since the bakery closed and I still remember his demeanor. He treated everybody like a friend. He will be missed. May God carry all his family and friends through this time of need.*

*Sincerely,*
