“ One of our favorite people, she and Ron shared many unforgettable moments with us. Neither of them will ever be forgotten. They will always remain a very important part of our life. She raised a very devoted, loving and close knit family and we wish all of them the same love she had for her children and grandchildren. Thanks Carol for allowing us to share some of your life.

“ *Mrs. Bittner was an amazing person, our families had such good times together. I will never forget the memories we made. My mom and her sitting on the porch drinking coffee, the food she would bring over (she was such an amazing cook). My mom told me so many stories about them two, which made me laugh so hard. They loved being neighbors and friends.*
Thank you Mrs. Bittner for all the great times and memories you are loved and will be greatly missed!!!
Love you
Christine
