“ *Aric & Family-*  
*I am just now receiving notification of your father's passing. I adored your father, Charles so much! He was always such a pleasure to talk with. I laughed often during our talks. My heart is saddened for the loss of a beautiful soul. May he rest in peace.*

Deepest sympathy to the family of Charles. I worked with him for years in the RNICU and did many transports with him. He always was professional and had a good sense of humor. He was so kind and helpful. God Bless and keep you and your family.

“ Family of Charles Pogoreski (STASH) ....We are so sorry to read about Stash's passing. We were old times friends. As a matter of fact Stash introduced us to each other. We knew him as Stash. Very dear friend. He came to visit awhile back over a year ago and we were very happy to have him visit. We exchanged Christmas Cards every year and wrote notes to each other. We were very sad when Donna passed. And we will really miss hearing from our dear friend. He will always be remembered for the wonderful person he was.

“ *As a young nurse I was attending a party at Connie and Tom Ruth's home, where I suffered my first ever asthma attack. Charles was there and calmed me and helped me through a very scary experience. He was my hero! My sympathies to the family of this wonderful man.*
