“ *Sad to hear of Charlie passing on, haven't seen him in years, but have not forgotten about Him. I remember the good times, like when we would fish for Carp on the Cass River during our lunch hour at Dixie Tool. I am reminded of him every time I look at one of the mounts that he did his magic with. Our condolences to the entire Family.*

“ Pam,

*Very sorry about your loss. Although I haven't been living near Saginaw in quite a while,  
My son still has the deer head he did.  
As far back as I can remember, he always liked to do taxidermy stuff. And was so good at it. Even as a teen...fun to watch Chuck tan hide and make the animals look so real.*

*Please pass on my condolences your family and my cousin Cathy and her family.*
