“ *I have a picture in my mind of my brother-in-law. He brought his bass fishing boat on a family vacation one summer. He gave rides to the kids and some of us lucky adults. He reminded me that day with his summer tan, sun glasses, wind blowing his hair of Craig Daniels in a 007 movie. He truly was in his element. I choose to remember him as a healthy hardworking outdoorsman who loved his blended family. Love, Karen*

“ Many wonderful memories fishing with Chet and also in the bass club together. Also a joy when he would stop in our store Bay Outboard Marine to get supplies for his boat and we would always have a nice little chat. Many fond memories !!!

Thoughts and Prayers to the entire Norris family.
