“ I am so sad to hear we have lost Danny, I have never known a nicer fellow. I always remember my sister telling me about the time Linda babysit for her kids. They did not have to pick her up because Danny brought her out to their house in Bridgeport on the back of his motorcycle. My sister Sharon said they were so cute. They truly loved each other for ever. Please know I am thinking of you all, Aunt Judy

“ I worked with Dan when I came to Delphi 1993. I say worked with because I he never made me feel like he was the boss and I had to do what he said, I felt more like we were working together for a common cause. Out of my 30 years bouncing around GM plants he was one of the good guys that I have always remembered. May the peace in comfort of our Lord Jesus Christ be with his family through their time of sorrow. God bless each of you always.
