“ I currently live in Phoenix, Arizona. Just today I sadly learned of my friend Creightons passing. My name is Jack Meyer. I have known Creighton since 1952. Back when Creightons dad (Sam and Mary) owned what we all referred to as the "Pop Plant" (Masons Root-beer, O'So Soda Pop etc. and oh yes I almost forgot that pleasing alcohol drink called Champale, which of course we never touched. The Izzo family was well known as being very charitable family. All during high school at Arthur Hill, Creighton and I and two other boys of the same age spent many hours together. Not a Saturday night went by that we didn't get together to crash a wedding party somewhere in the Saginaw area. If we couldn't find a wedding party to crash, we found some other harmless mischief to get into. Collectively we were known as the "Fearsome Foursome". My boyhood times with Creighton and the other members of the Fearsome Foursome are all positive and fun and bring back many fond memories. May God bless all of the Creighton family. I am sure you will miss Creighton. There will come a time when we will all I currently live in Phoenix, Arizona. Just today I sadly learned of my friend Creightons passing. My name is Jack Meyer.
