“ *To The Long Family,
I'm very sorry for the death that you've experienced in your family recently. There are some scriptures found in gods word, that have encouraged me in the past when it comes to losing one of our loved ones. John 11:25 says... "He that exercises faith in me, even though he dies, will come to life."
I also agree with the bible when it says at Acts 24:15... That "there will be a resurrection, of both the righteous and unrighteous"! Revelation 21:4 states " Death will be no more." "The former things have passed away." What a wonderful time to live when these scriptures will be fulfilled!
My thoughts and prayers are with you at this difficult time.. please know that I'm thinking of you and your family during this hardship.
Thank you for your time,
Sincerely,
Caleb Aniol*

“ Our family wants to send our deepest sympathy to you and your family for your loss. We have recently experienced the loss of a loved one and found great comfort in a promise found in the Bible. We would like to share it with you in hopes that you too will find comfort and strength from God's promise. It is found at Isaiah 41:10 and says in part "Do not be afraid for I am with you.....I will fortify you. I will really help you. I will really keep fast hold of you with my right hand of righteousness." How comforting to know that God will take our right hand and be with us. If you would like to know more about the promises of comfort that our God gives you may contact me at understandyourbibleforfree@gmail.com
