“ *Dave was a member of the class of 1974 of Bethlehem Lutheran we all grew up together. Together we learned about God. I would periodically run into Dave in a store and we would chat for a minute and I know he fought his battle with dignity. My prayers go out to his family. But I know the same God that we learned about when we were young is the same God who has his arms around him now.*

“ David was our nephew by marriage. We shared many wonderful holidays and weekends at Kim's parents on the lake. We have countless memories of boat rides, fireworks, grilling, euchre games, and the kids playing and hanging out shared with David and Kim. Our lives are so much richer for all experiences we have shared over the years. We are forever grateful that David was a part of our lives and memories, we will miss him dearly... but carry him forever in our hearts.

David was our nephew by marriage. He brought so much delight to the family. We shared many wonderful holidays and weekends together at the lake. David was a great Euchre player, great at the grill, great at baseball with the kids or boating at the lake. So many good times, our lives are all richer for having him in them. We will miss him profoundly, he will always be in our hearts. Sending love to Kim and the kids...what a tragic loss. ❤️❤️❤️
