“ *I remember many times Deb and I spent together after high school.
She would come up to CMU and practice for "showboat" and we
laughed and had a great time. I tried getting ahold of her several
times but to no avail. May she RIP. Sue Hall Herington.*

Susan K Herington - June 15, 2016 at 12:35 PM

“ *Deb was a lovely person which was no surprise as her parents, Jim
and Virginia, were such nice people. They were great neighbors
when I ran the barber shop across the street from their home. Our
deepest sympathy to Deb's family.*

“ I'm sadden by the passing of deb she was a sweet heart. We would talk , watch TV and on nice days we'll sit outside and she'll tell me story's about herself , She loved her friends and family. Every night I left deb she would text me to make sure I made it home. I can go on and on thats how much we would talk & laugh. I was her home health aide but she would always tell me I'm like her family and I was her sister lol she was a sweet heart. Heaven has gained another angle no more pain and suffering. You will be missed by all that knew her. Preying for deb family and friends. Annette (HHA)
