“ *I always thought of Dennis as my best friend in high school. We used to enjoy playing golf. I was saddened to hear of his passing. Whenever we saw each other, it was as if no time had passed.*

“ *Dennis was a kind and and gentle man. He was well liked by people who worked with him and those who golfed with him. I met Dennis when he moved to Saginaw and started working at the Dept. of Social Services. We became friends and stayed friends since then. Dennis went on to work for two other social work agencies. Dennis and I golfed together many, many times over the years and were golf partners in a league for the past 8 years. We shared stories about our dogs, and about traveling. Dennis and Diane liked to travel when they were able to do so. Dennis was always willing to help others and shared laughs with others. We will miss him.*

Sorry to learn that Dennis had passed away. Dennis was a member at Twin Oaks GC, and was well liked by our staff members, as well as the other golfers here. As the owner of Twin Oaks I always appreciated his patronage and friendship over the years. I admired his courage in not allowing his illness to keep him from playing golf the last several months, even though it appeared somewhat difficult for him. Dennis was a good man---we will miss seeing him around Twin Oaks.
