“ *Diane,
Today is your birthday. You should be here with us. Kathy and I put
flowers on your grave site, instead of birthday candles.
Happy Birthday in heaven

“ *I was with the State almost 12 years. Diane was my supervisor for 8
of those years. I got to know her very well and we became pretty
close. I always listened to her about her back pain and felt so, so
bad because doctors never seemed to be able to get the pain under
control. I was shocked to hear about Diane's passing. I feel very,
very bad. She was a good person. Rest in peace Diane. I will never
forget you. Lisa Judzis-Karides*

“ I'm so sorry Dennis and sisters to hear this! I had the pleasure of knowing Diane, and doing her hair for the last 13 years or so! She was a great person, and we had many laughs together! May she rest in peace, and I know I'll never forget her!

“ I was Diane's supr for a few years when she first started at DSS, and my sister Charlene Colvin also was her supr for a while. We both thought she was so sharp and one of our best workers. Our sympathies to Marcia and Kathy and the whole family. We have only good memories of Diane.

“ It was my pleasure to work with Diane and her sisters. One of my greatest pleasures at DSS, was to interact with the Gorman "girls." A special time was visiting their Mom's home at Christmas time, several years ago with my granddaughter. Diane was a hard worker, who loved her job. Following my retirement, it was great to see Diane and Dennis at different functions. My deepest sympathy to the family.

“ The Gorman "girls" were some of my first friends when I came to DSS. Diane and I loved to talk about our animals and how they were special to us. If I ever needed a policy question answered, Di was my go to pal! I will remember her always. My deepest sympathy to all her loved ones. Mac

“ We worked with Diane for many years. Diane was always a hard worker. As a supervisor, she was an excellent trainer and very thorough case reader. She knew policy better than most other employees. More importantly, Diane was a very kind and giving person. She cared about others. She loved the holidays and often wore clothing that reflected the holidays. She loved to laugh. She will be missed. Our sympathy to Dennis, Marcia, Kathy and all the family. You are in our prayers. John and Linda Johnson
