“ This is Kevin DeFore and I just wanted to say my grandma Donna Was an amazing woman! She helped raise my brother (Eric DeFore), sister (Jaime DeFore) and I when we were young. Which we will always love her for and cherish those memories! Our Grandma was a very smart woman and taught us many things like how to read, write in cursive and math before we were even in school, which gave us a huge boost in live! We would go to her apartment and she would have tons of boardgames we could play and she taught us many card games, which we all had so much fun playing and learning! She loved cards. She would take us to the antique mall in bay city where she worked sometimes and we would run all over that place! It was so cool cause she show us things there you wouldn't normally see and we would learn so much about the past from her. She taught us manners and how to be amazing people just like her! We love and miss our Grandma Donna DeFore immensely and will have her in our hearts and thoughts forever and always! Rest peacefully in heaven Grandma thank you for everything!

“ My Mom Donna was so happy when i arrived on June 18th in Saginaw. I moved back here from Florida to begin taking care of her and we had the best summer that I ever had. Tammy visited twice a week so we all had good times and Mom showed so much promise despite her age.

I think our most favorite moments were planning to rent a house together and nature walks at the Shiawassee Flats with Mom in tow with her wheelchair presented by our brothers and sisters in Jesus the Christ / Yahshua Ha Mashiach.

My heart's desire is that all who loved and supported and prayed for our family and Mom especially be touched by God and His Presence . 🙌🏻🙏🏻🙌🏻

Thank you for the genuine love and fellowship we received and continue to receive from our brothers and sisters at Beacon of Hope Church of Saginaw.

Mark Krawczak and I are planning a Memorial with foods and refreshments in November and hopefully at Moms church . We will post details that will be forthcoming.

My sister and I were adopted children. We had the best parents and the very best Mom we could have ever had . 💕💕💕💕
