“ *To Dorothy's Family,*

*I got to know her at Shattuck Manor where my mother lived for almost 5 years. I was at breakfast most mornings and would always carry on a conversation with Dorothy and her breakfast pals. I loved to tease her and she loved to be teased. To my surprise she could also give it back. We would always laugh at something. I looked forward each morning to our "back and forths". I enjoyed her company and her friends. She would always ask how my mom was doing. I shall miss her.*
