“ *So very sorry for your loss. Your mom, and your dad, were such a positive part of my childhood. I was so proud to be a flower girl in their wedding and to be included on their important day. When each of you were born, they were so very happy, and you could tell they were meant to be parents. My mother, her Aunt Olive, adored her like a daughter. On Sunday's, after church, they would stop by to visit, even bringing three little ones with them after you all arrived. Always a nice family time. I know you have many wonderful memories to cherish and hope they give you comfort in the days ahead.*
