My heart goes out to Laura and John and their families. Losing a mother is an incredibly hard thing to endure. Life will never be the same for those who are grieving. My sincerest condolences.

Johnny and Laura, I was very shocked and sad when I heard about your mom's death. Even though we weren't overly neighborly, we still talked occasionally at the mailbox or on the phone. We have lived across the street from each other for over 50 years and now she is gone and Marie Janni is in a nursing home. I miss them both already. The only blessing is that your mom is no longer suffering. She adored both of you, she told me that a few years ago.
