“ *So many memories of Edna!! We worked at Jacks together years ago. She was kind, sarcastic, annoying, sweet, angry all within a minute!!! Just loved her!! If I was annoyed with her, she would make me laugh and I couldn't remember why I was annoyed with her!!! She had the best heart!!! Her eyes took everything in!! Nothing got past her!! And she always had something to say!! And like it or not, you'd listen! Edna had a commanding presence. I'm so sad she's not here. Bet she would have something to say!!! Edna, even though I haven't seen you in years, you have crossed my mind many times. I consider myself to be fortunate to have known you.*
