“ *My brother-in-law Ed, you will be missed greatly. I am so sad and will miss you dearly. You always tried to act grumpy, but would do anything for anyone when they asked. You always picked me up and took me back to the airport, no matter what time it was. In fact, you didn't care what city it was. We will always remember you getting arrested in Detroit for a robbery you did not commit. That was just one of the adventures you went on for your sister-in-law. You always had a place for me to stay, made sure there was plenty of beer for me, spoiled me with Spatz's bakery goods, made me delicious food and even played Hand & Foot when you really didn't want to. I will miss you so much but I know you are with The Lord. My thoughts and prayers will be with my sister Floss and all your family. I love and miss you.*

“ *Oh my sweet papa where do I began there are so many words thou none of them seem to fit correctly. You were the best man I have ever known you have taught me so much thru my life you were always there anytime day or night you listened you never judged no matter given the circumstance. If you had the pleasure of knowing him then you knew the man he was just no words to explain him. As we knew you were getting tired. We wanted to keep you forever that would be selfish and you did not raise us to be that way. You told me toot I have lived a long life I'm happy with everything I have done I don't regret anything don't be sad for I am not I am happy. As we will be mourning the loss of you. You are flying high with your wings out of pain and with the rest of our angles. Looking down on us telling us not to be sad do not cry as this is not what I would want. We will do our best for you as that is what you would want. I love you with all my heart papa love your tootie*
