“ *To the Hecht Family - My husband, Steve remembers when you lived on Yale Street in Flint. You lived across the street from him when he was a child. He and I will keep you in our thoughts and prayers. Steve and Marilyn Harrington*

“ *To the family of Elmer Hecht,*

Sorry to hear of your loss. Many years ago it was a ritual that the Second National was in Probate Court for the morning on Thursdays. He was a gentlemen and we enjoyed his wit. On behalf of the Probate Court.

“ Hi Sue: Harold Evans passed on the information of Elmer's demise. I worked with him in the Trust Department from 1973 until his retirement. I remember Elmer as a man who wanted to do that which was the right thing to do. I enjoyed golfing with him on the bank employee league. Elmer was a better golfer, but considering my ability at golf, that's not saying much.

I'll remember you and your sons in my prayers. I'm not sure there's more that can be said about a man as far as good things to say beyond than that he was a good man. And that I believe was Elmer.
