“ *To the Family of Mrs. Becker,*

I am truly sorry for your dear loss. During your time of grief and sorrow, it is my hope that you are able to find some comfort and hope in knowing that God Almighty has the power and the desire to resurrect our dear loved ones to a paradise earth. You can read such loving promises at John 5:28, 29 and Revelation 21:3-5. Please accept my sympathies.

“ *My apologies for being so tardy with our condolences. Elsie lived across the street from us when she lived on Churchill. I would visit her quite often and she would always let us know if we left our garage door open at night time. She was a good neighbor and we know she a really hard time after she left here. She left us with some good memories.*

*With sympathy,
