“ *Our family wants to send our deepest sympathy to you and your family for your loss. We have felt the pains of death and found great comfort in a verse in God's word. It is found at Revelation 21:3-5. We truly hope that this and the other promises found throughout the pages of the Bible will give you comfort and strength.*

“ Aunt Tuney was always a welcome face at all our family gatherings. As my grandmother's sister, she seemed to have a particular notion that it was her job each time she saw me to tell me that "I was a special one" to my grandma. She'd pat me gently on the cheek and look so lovingly into my eyes. When I visited her house, she always had the most special family heirloom treasures. Two small glass pieces from her collection were given to me as birthday gifts and she always wrote out the history for me so I would know where it came from and why it was special. The memories I have of her are dear to me. They tie me to our family story and especially to my grandma Renata Wolfe. For once my grandma had joined Jesus, Aunt Tuney remained a strong connection to grandma's memory for me.
