“ I just learned & you won't know me, but Fay spread great ripples of cheer great distances. She trusted me one time (b/w 1976-1979) to babysit those cute and energetic TRIPLETS! I was forever in awe of her parenting skills, because one can always use two hands to grab two on the move...but the third??? She was our Saginaw Mother of Twins Club Heroine!!! Condolences to all the family. Margaret Lennon
