“ God Bless Florence. She was always good to me and my wife. Even when i was a rascal she treated me with respect. I can truly say "I loved Florence" as I did Charlie, because they treated me so well. I know she is going to a better place and her spirit will be eternal.
Sincerely
Don Paige and wife Kathy

“ My Aunt Florence was the kindest and best hostess no matter what her own personal conditions or needs. I remember many times seeing her checking the oven and stirring pots. She told when I was an adult that she wished my Dad had sent me back to Mich after my mom died. She would have made room. We have truly lost a servant here on earth but God gained one of the best. Hope you like your new home dearest.
