“ We were sorry to see that Fred has "graduated to Glory." Sorry that we didn't stop to say "hi" to him more often when we occasionally passed his house in South Branch. My (Fred's) friendship with Fred goes back to Westside Collision, church with Floyd, and Joe Moreno. We spent many hours chatting under the hood of a car, and with Sally in North Branch. Our sympathies and prayers are with the family. Fred and Maribeth Runyan

Well, not exactly "under the hood" of a car, but that sounds better than "pounding the dents out"! We seemed to always be near cars, anyway!
