“ Gary and I shared an office in the mid-seventies working at the Saginaw County Office, State of Michigan. Those 2 years were the best. He had great work ethics, a wonderful sense of humor, and never forgot a friend. To his family I offer my complete & sincere condolences, especially his son as we share the same birthday.

Sorrow does not last forever. Love does. May God's perfect love be your source of comfort and strength.

“ I worked with Gary at Michigan Works. I looked up to him. We would have great convos. He wrote such a good recommendation for me to get into the State. Gary was an old school guy and loved a good steak and baked potato. He will be missed.
