“ *I remember Gary as a little boy playing in the neighborhood with his little sister, Martha. What a blessing to hear that Gary grew up to be a man who blessed so many with his love of family and love of God. My prayers are with his family and loved ones during this heartbreaking time of saying goodbye. May you find healing over time, and may you find joy in the truth that Gary is with our precious Lord, healed and at peace.*

“ I had only met Gary a few times at softball league games. I can't say that I knew him; but, I know his children who are all compassionate, intelligent & hardworking. RIP, sir. That is your legacy.!
