“ So very sorry to hear about Gary. I worked with him at Wickes Agriculture in Carrollton for many years. He would make us laugh all day with his big Tarzan yell out the windows on top of the elevator. I'm sure they heard him from miles around. What a nice guy. So sorry. Rest in peace Gary.

We worked together for 30 years at Saginaw Grain Terminal. Wickes, Peavey, Pillsbury, Berger or Con Agra whatever you wanted to call it the guys there depended on each other for survival. The many years of long hours forged a bond that was more like family than friendship. We may not have agreed with each other or even liked each other all of the time. But you could always depend on one another. Rest in Peace Bro.
