“ I am sorry you never wanted a relationship with your son Chris, you have missed so much. He is a very good and intelligent young man who has built a beautiful family. A loving wife and together they have a beautiful daughter Stephanie who is twelve years old and a son Christian who is nine years old, YOUR grandchildren. Both of these children have been involved in various sports for several years and have earned many trophies' for their efforts. Chris will soon be a teacher.

I hope you will find happiness in your eternal life that you could not seem to find on this earth.
