“ Our dear nephew, Gregg was so special to us. We have so many great memories of him, Gary, Elmer and Ola. Gregg was always full of compliments. He was such a caring, wonderful person. Gregg enjoyed coming to dinner at our house, his favorite meal was enchiladas. He would sit with me and hold my hand and we would tell each other how much we loved one another. (Aunt Lydia) When Gregg, & Gary were younger they would come over with Elmer and Ola for dinner, cards and drinks. David and Gregg would play together for many hours. Gregg and I would sit for hours and talk about Lincolns. He turned out to be a great Lincoln mechanic. (Uncle Eugene) We will miss him so much and look forward to joining him in heaven. All of our love, Aunt Lydia and Uncle Eugene

“ GREGG was a very good friend of mine and my wife, Darlene. We have been friends for many years, He was the type of person that if he told you he was going to do something or help you with something, he would be there. Those kind of friends are very rare these days.

Gregg had the cleanest cars around inside and out, he was very articulate down to the finest detail. He was the first person I'd ask if I had a "car problem" and he would be right there to help me with it . He was not afraid to speak his mind of cars and of life and I respected that, though sometimes it was a blessing and a curse. It always made for some great conversation and discussions.

Gregg will be truly missed in the days and years to come. We had many good times and some not so good but we always made it through them. I will miss playing darts with him and sampling his famous cheese dip at parties. But I will always remember the happy times and the friendship I was lucky to experience. Ride on in peace in that Lincoln in the sky, my friend.

“ Gregg was a good friend! I worked with him at LL. He was so very knowledgeable about what was offered in all the 60's and 70's classic cars. I know he would get mad at me because I didn't know what was offered for interiors with the seats and such. All I do is make it work; he liked me for that, we had so much fun working together. We picked and cut loose on our spare time together which will always be very memorable for me the rest of my life. Laura, I am so very sorry for your loss. The world is truly going to miss such an overall fun loving guy!

Love,

“ Some of my favorite memories of my cousin, Gregg.  
Gregg would come to visit Aunt Lydia & Uncle Eugene and would always bring my mom flowers. He sure knew how to make her feel loved and special.  
Gregg would talk for hours with my dad about cars. It brought such joy to both of them.  
He loved to help my parents make liver paste around the holidays and would be the taste tester.  
My mom always looked forward to Gregg coming for dinner. It gave her such joy to see him enjoy her cooking. He always went home with a goody bag.  
Gregg was such a caring, kind, considerate person. He was a blessing to all of us and he will truly be missed. Dawn Horst (Dinse)

*As a large family, we were all getting together often and it was a great joy that we all had fun Gregg was younger but it made no difference. We were all treated the same. Fun was the name of the game, When Aunt Viola and Uncle Elmer and Gary and Gregg came to our house, food was always a large part and we would hide upstairs and slide down the banister to come to dinner. The smile he had warmed everyones heart. To Gary Kathlyn and family our heartfelt sympathies go out to all of you. We Love you's all.*

*I will miss my cousin Greg, his family was so special to me and my family. His dad was a great mam, and when I saw Greg it sounded just like his dad. The last time I saw him was around Christmas at my mom and dads, he new I was coming up from Tennessee, and he brought me a old black and white photo of him and me, i gave a big hug and said thanks for thinking of me, but that was Greg. He loved my parents, Greg was a Lincoln man, I think he new more info then the engineer at Lincoln. There are only two people I now, who have so munch passion for Lincoln and that is my dad and Greg, if they got cut they would bleed Ford blue. I will truly miss him, but he know is better as the Lord has brought him home.*
