“ *I will always remember Hattie for being the kind, sweet woman that she was. She was also a dear friend and neighbor to my Grandmother, Marlowe Hoebbel, who lived across the street, as I remember when I was going up. When my Grandmother passed away in 1988 I then moved into her house and also became Hattie's neighbor for many years. She was still then the most caring and kind woman to me as a neighbor. May you rest in peace Hattie...you will be greatly missed.*

“ Mom you will always be in my heart and mind. I will miss talking to you on the phone every day & how you would say " hi honey."When I would be there to visit and ready to go home you would say " I will pray that you will be safe going home " and how you would stand in the kichen window waving goodbye. I hope out of all the things you taught me that I will have your big heart and have your smile when I meet someone. The last days I had with you I will never forget the last time I heard you say " I love you." I know you are with God and with daddy who has been waiting for you. I know when it is my time to meet GOD you will be there to greet me with loving arms.

*I LOVE YOU MOM

“ *God Saw You Getting Tired*

*God saw you getting tired
and a cure was not to be
so he put his arms around you
and whispered,
"Come to Me"*

*With tearful eyes we watched you
and saw you pass away
and although we love you dearly
we could not make you stay.*

*A Golden heart stopped beating
hard working hands at rest.
God broke our hearts to prove to us
He only takes the best*

I Love you and Miss you Mom,

“ Mother was a precious gift from God. Her love radiated by the way she treated others. Mom always put her children first, right up to her last days. She was our Rock, our mentor, and our friend. Even though we ache for her here. We know she is in a better place. I will always remember you Mom. You are in my heart and soul and I will carry your "I Love You Honey" with me until we meet again.

Love your daughter,

Karen

“ Haittie mom says some of her favorite memories are sitting up north at skidway lake and having coffee watching all the kids have fun. Mom says you are her closest friend and often think of her. She will miss talking with you also. And she treasures the memories of you and mel coming to the house in carrollton and visiting. You are missed by all the simonettis' Love Virginia and Family
