“ *My heart is missing Helen dearly. We've had a bond that I will miss so much. Yet Helen I know your happy in Jesus' arms. I will forever miss your beautiful eyes, smile and most of all your beautiful heart and hugs. Melissa, Ginny and Kathy thank you so much for sharing such a awesome lady with me. She will deeply be missed and will forever hold a special place in my heart. I've loved her from the first time we've met. I've been so blessed to have Helen in my life. No words can express how much I'm already missing her. Helen, I refused to say goodbye but only that I will see you again when Jesus calls me home. I will always love you.*
