“ I remember going and visiting uncle Ron and him having that basket ball hoop in his dining room. Always looked forward to going to the golf course house and getting pop and candy! He was such a wonderful man!! As time went by and life grabs a hold of ya... I haven't seen him in years... But always will remember him and his devilish smile and his jokes! RIP uncle Ron!

“ *Ron always shared a smile, every day. He and I were parking lot buddies. At pick up time at the end of the Holy Cross school day, each of us would see who could out play the others music in the car...he usually won, always asking if I'd ever heard that favorite tune of his?! I'll miss his smile, kindness & genuine thoughtfulness; he always reminded me a little of my own dad. RIP, Ronnie.*

“ *Definitely one of my favorite Uncles and inlaw. He always made me feel a welcome part of the family at all occasions. My girls adored him too, he always was including them and making them laugh. I know Troy has many close and fond memories as well as an Uncle and his dad's best friend. We're so sad he's moved on and will miss him. My love to everyone, nothing prepares you for losing a parent, and my heart breaks for you.*

“ *Sending lots of prayers and love to your family. Ron was a great
man. I remember one Christmas when they lived at the golf course
coming to do your family pictures and forgetting to put film on the
camera. We got finished and had to do them all over again :)*
