“ *our great grandma was a good person and she lived a good life she spent a lot of time in the hospital so we barely saw her. she was always watching over us and making sure we were ok but now she is still doing her job protecting us and watching over us. the girls alex, kac, and skyler were very good around her and always were careful around her she was a nice person and should live longer but it is too late*

“ I am sorry to hear about the loss of your dearest Isabel. My family and I wanted to send our deepest sympathy. Our family has recently lost two of our dear friends. I wanted to share a comforting thought found in the Bible at Isaiah 25:8 where it says in part that death will be swallowed up forever. I hope that your family finds this text comforting as it did me and my family.
