“ We were so sorry to hear of Jacks passing. We are friends from long ago. Our girls grew up together at Peace. I was talking to my girls today (Jenny and Sarah) and we remember when Jack would sit in his chair and have all 4 girls on his lap (this was before Caitlin was born). They would laugh together and talk about their day at school with him. Jack worked nights and the girls would try so hard to be quiet. Impossible for 4 little girls. Our girls were best friends so Robyn and Jack were a big part of our lives. Our memories are endless of the good old days. Jack will be missed by many but our wonderful memories of him will never go away. To Robyn, Heather, Shannon and Caitlin:stay strong and know we are praying for you

“ So sorry to hear of Jack's passing. He was a grade behind me at Bethlehem Lutheran School and in Carrollton High. He was always a quiet, laid back guy and I'm sure he will be missed. His Mom and Dad were very nice people also. There is no doubt in my mind that he is with our God in Heaven. My condolences to the family.

*I too, have fond memories of Jack through Bethlehem Luth. School as well as high school at CHS. Jack was always a soft spoken boy and good friends with my cousin Gerry Neigh. Jack worked on a joint high school reunion committee with several of us who represented 4 classes. We had good times planning together and a very successful turnout. May the comfort of the Holy Spirit hold your family close at this time and may God's peace be yours in this time of loss.

“ As kids we would go up to grandpas cabin in Mio and run around like little fools. The boys would all pick on me being the only girl and such, but from some people you know that the teasing is a way of showing love,, Jack always made me smile.. always,, he will certainly be missed.
