“ *To the dear family of Jackie Matson
I had the pleasure of getting to know your aunt at her apartment on the river and a couple visits at Munson Hospice House. She was one sweet lady, with very youthful features and impeccable taste in clothing and furnishings. We shared not only a birthday, but a lot about life in general. I will certainly miss her upbeat personality it was truly an honor and privilege to know her.

“ *To those of Jackie's family that I know and care about - Linda, Bill, Sally, and Mary - along with those that I have not met but loved her as I did, my deepest sympathies. She will be deeply missed. So many fun and great times I had with her, from Saginaw to Traverse City to Florida to Hawaii, and the other places we have left our mark. Unbelievable that I have had the pleasure of being her friend for over 35 years.*
